

Securitas engage

employee survey

Help us to be a more inclusive company

- Take the survey -

Survey Opens October 2

Your voice counts

How do I know that my responses will be confidential?

Peakon/Workday, an outside company, is managing the survey. This survey is completely anonymous.

No one at Securitas will see your individual responses.

Workday Peakon will only provide us with summary reports by demographic category. You will be asked for your email address or employee ID number so Peakon/Workday can ensure that you are an active employee and that there are no duplicate responses.

The employee Net Promoter Score (eNPS) Inclusion Survey will help us to better understand our diverse workforce.

Where can I find the survey?

- Company or client email if you have an account
- Link on OneID (electronic timekeeping) page
- Link from text message
- QR code

IMPORTANT

- This voluntary survey must be taken during work time.
- If you are experiencing a serious treatment issue at work, call the Securitas Hotline:

1-800-574-8637
